Disease Management

Services Highlight

Wellness Companion⁺

Calculate your health age and complete challenges to earn Fitpoints!

Symptom Checker

You can learn about common health problems, symptoms and help you determine when to seek advice from a doctor.

Wellness Offers⁺

Special offers for you! Wellness offers like health food & supplements, lifestyle goods, medical services and parenting products are waiting for you!

AXA Goal

An annual step challenge programme that rewards you for living a healthier lifestyle. Earn up to 20% premium rebate by achieving the pre-set challenge.

Mind Charger

Charge your mind and uplift your mood with this handy mindfulness meditation guide. You can enjoy soundscape audio, relaxation exercise and meditation sessions in Mind Charger to relief your mind.

AXA Nurse Hotline

Our registered nurses are available to provide health information, support case management for critical illness patients, and help to locate specialist doctors in Hong Kong.

Critical Illness Prevention Services⁺

Through a suite of preventive services, you can discover and rectify potential health problems at an early stage.

Fertility Solution⁺⁺

To facilitate couples who have difficulty in conception, we offer an AXA discount for In Vitro Fertilisation (IVF) to increase chance of fertility and better plan your future with confidence.

Partner: HKSH Medical Group

Cosmetic Treatments⁺⁺

Build your confidence by having professional beauty treatments at state-of-the-art facilities, at AXA discount.

Partners: HKSH Medical Group and Pedder Medical Aesthetic Centre

Refractive Surgery⁺⁺

Improve your vision at AXA discount! Applicable to various refractive surgery services (such as LASIK, SMILE, LASEK, etc).

Partners: HKSH Medical Group and Champion Eye & Refractive Surgery Centre

Mind Journey Sharing

We partnered with StoryTaler in developing a series of interview videos so you can better understand your mental health status and ways to take care of yourself as well as supporting your loved ones.

Critical Illness Treatment And Rehab Services

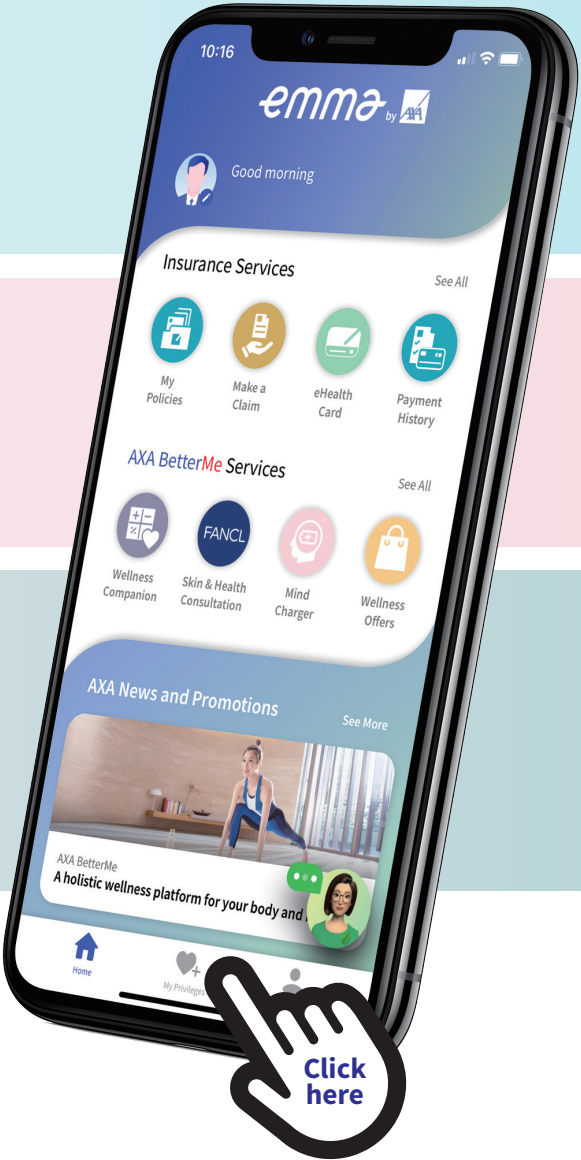

We provide a full suite of support services to assist initial illness patients on their recovery journey. You can select what is most suitable so that you can focus on recovery and be well again.

Maternity Care⁺⁺

Welcome your new family member at ease by enjoying an AXA discount for maternity package!

Partner: HKSH Medical Group

Remarks:

* This is a paid service to customers
